Return again, return again
Return to the land of your Soul
Return again, return again
Return to the land of your Soul.
Return to who you are, return to what
you are
Return to where you were
Born and reborn again.

Building a Better World

We're building a better world
We're building a better world
We're building a better world
One person at a time.

And the world goes round and round
The world goes round and round and
round.

And the world goes round and round
The world goes round and round and
round.

We're building a world with love
We're building a world with love
We're building a world with love
One person at a time.

We're building a world with friends...
We're building a world with hope...
We're building a world with peace...

We've done bad things
But this is what
The new year brings
A chance to change
A chance to grow
With one first step
Nice and slow

We've used bad words
And hurt our friends
But these mistakes
Are not the end
We do teshuvah
We learn to do good
So we tap our heart
To remind us we should
